

Author Visit

Fri 23rd June

As part of our wellbeing curriculum, we are very excited to have #1 Bestselling Author, Chris Duke, visiting us to talk about his book, "Lucy's Blue Day".

Chris wrote the book to help children understand their emotions and to encourage mental health awareness. It has received positive comments from Stephen Fry, Dr. Ranj, and Lorraine Kelly, describing the book as "charming and well needed in today's society."

It is accessible for all ages from pre-school through Primary and secondary.

Chris will be talking about the book and his journey and doing a book signing on the day.

Chris's visit is free for the school however funded through book sales.
